Passengers whose cabin baggage exceeds the permitted dimensions 55x40x23 cm must pay an additional fee of 75 EUR at the gate. The item of baggage will then be stored in the aircraft’s hold. This rule also applies if other cabin baggage regulations are not observed (e.g. having more items than included in the fare, or an item of cabin baggage that exceeds 8 kg). Important note: personal items that exceed the permitted dimensions of 40x30x20 cm, will be considered as an additional piece of cabin baggage and subject to the above limitations.
